## Administrative Information

---

### Conditions Governing Access

The materials are open for research.

---

### Conditions Governing Use

Copyright has not been transferred to Yale University. Further use of this material may be subject to the copyright laws of the United States (Title 17, United States Code) or to site license or other rights management terms or conditions.

---

### Preferred Citation

Film Stills and History of Photography Slide Collection, Arts Library, Yale University

## Processing Information

This finding aid was revised in 2023 to add this processing note to contextualize a racist and sexist descriptor used in a folder title in the United States sub-series. This folder title contains a transcribed title of a film. The use of this description is not an endorsement of the language it contains. This descriptive language has been retained to promote searchability and discoverability of the collections. Please contact Haas Family Arts Library Special Collections for details or if you have questions or comments about these revisions. For more information on reparative archival description at Yale, see [Yale's Statement on Harmful Language in Archival Description](#).

---

## Scope and Contents

Collection consists of color and black and white 35 mm slides of international film stills and examples from the history of photography from 1839 to the present. Film stills largely from the Museum of Modern Art film still series.

---

## Arrangement

Arranged by country. Film stills sub-divided by film title. History of photography slides sub-divided by photographer.

---

## Collection Contents
