Scope and Contents

This collection of 154 documents spans the dates November 8, 1671 through December 18, 1749. The documents were created in various sites throughout Sonora and Sinaloa, Mexico, and in Arizona. They comprise 289 pages and fall into three related groups. The first group (entries 1 through 16 on the list) consists of 16 letters by various Jesuit missionaries, by the Visitador Alvaro Flores de Sierra, and by military leaders. They were written between November 8, 1671 and December 22, 1672 and are arranged chronologically. The letters concern recent attacks by the Seri Indians on Jesuit missions and villages and discuss the need for improved military protection.

The second group of manuscripts consists of 119 letters and documents addressed to Juan de Yturberoaga, Procurador of the Province of New Spain, concerning the distribution of supplies to the Jesuit missions as well as other administrative matters. The letters, which were written between December 5, 1707 and September 30, 1710 are arranged in alphabetical order by author. They are described in entries 17 through 49.

The third group of manuscripts consists of 19 letters written between October 23 and December 18, 1749. In the letters, various authors describe the problem of Seri attacks on the missions and settlements. The first document in the group (entry 50) describes in detail the many obstacles to transporting cattle in the region. The letters are arranged in alphabetical order by author and consist of entries 50 through 65. A list of names that appear in the collection:

Collection Contents

b. 1, f. 1	<p>Marras, Daniel Angelo 1629-1689.</p> <p>Matape and other places [Sonora, Mexico] ALS to the Padres of the Mission of San Francisco de Borja 4p., docketed 30.5 cm. Includes six ALS by Bernabe Francisco Gutierrez, B[altas]ar Xavier de Loaysa, Alonso de Vitoria, Quiler de Cuellas, Luis del Canto, and Juan Fernandez Cabero. The authors voice their frustration at not being able to get sufficient protection against the Seri Indians and discuss the urgency of putting them down before contempt of the Spanish spreads to other tribes.</p>	1671 Nov 8-21
b. 1, f. 2	<p>Diserino, Francisco</p> <p>Pl. de Tuvaca [i.e. Tubac, Arizona] ALS to Vis[itador] Alv[ar]o Flores de Sierra 2p., docketed 31 cm. Diserino and Padre Andres Egidiano respond to points raised in a visit and/or letter of the Visitador asking that he transmit their request to the Provincial that the Captain subdue the Seris. They describe the disorder caused by the non-Christian Indians and state that the Captain's only effort at subduing them did more harm than good.</p>	1671 Nov 25
b. 1, f. 3	<p>Soto, Francisco Xavier de</p> <p>Hures [i.e. Ures, Sonora, Mexico] ALS to Daniel Angelo Marras 3p., docketed 21.5 cm. Describes violence against the Nacameri Indians on the part of the Seris and requests Marras's assistance as head of the mission. Soto says that he wants to help the Nacameris and if necessary die with them.</p>	1671 Dec 7

b. 1, f. 4	<p>Betancur, Juan de</p> <p>Sonora [Mexico] Letter to Alvaro Flores de Sierra signed by Juan de Betancur, Juan de Huter, and Cornelio Guillerccagh 6p., docketed 29.5 cm. General Ramirez de Castro is mistaken concerning the efficacy of the entrada of Capt. Andres de Vuelna [i.e. Buelna]. Because there were only twelve soldiers under orders not to enter Seri country, the Seri show open contempt for them, killing Christian Indians particularly where the soldiers are, knowing they will not be followed and punished. This attitude is in danger of spreading to other tribes. Those that are barely Christian, such as the Yaqui, might revert; they have celebrated in their dances the Spaniards' fear of the Seris. The only solution is to send out the whole fort; the padres are willing to pay the expenses of the attack.</p>	1671 Dec 8
b. 1, f. 5	<p>Betancur, Juan de</p> <p>Sonora [Mexico] LS to Capt. D. Juan Francisco de Goyeneche 2p., docketed 21.5 cm. Reiterates claims he says he has already made to General Matheo Ramirez de Castro and Visitador Alvaro Flores de Sierra, that stationing a few soldiers has done more harm than good. What is needed is not a guard (<i>escolta</i>) but an <i>entrada</i>.</p>	1671 Dec 25
b. 1, f. 6	<p>Soto, Francisco Xavier de</p> <p>Hures [i.e. Ures, Sonora, Mexico] ALS to Daniel Angelo Marras 4p., docketed 30.5 cm. The Seri are depraved and perverse, with an ingrained hatred of Christianity. Because they have met with no resistance, they continue doing all the damage they want, and if not hindered, may achieve their objective of wiping out Christianity in their country. Remarks that the soldiers, whom he and Padre Cornelio Guillerccagh provisioned, only served to kindle the flame higher (<i>encender mas el fuego</i>).</p>	1671 Dec 29
b. 1, f. 7	<p>Flores de Sierra, Alvaro, d. 1673.</p> <p>[Toro? Sinaloa, Mexico] ALS to the Provincial 3p., docketed 31 cm. The Seris are divided into hostile and friendly groups. The posting of soldiers has hindered dealing with either group. The presidio of Sinaloa is no more than a shadow (<i>no es mas que -- -- una sombra</i>).</p>	1672

b. 1, f. 8	<p>Goyeneche, Juan Francisco de</p> <p>Toapa [i.e. Tuape] Sonora [Mexico]</p> <p>ADS</p> <p>2p., docketed 31 cm.</p> <p>Also signed by Andres de Buelna and Estevan Albares. [i.e. Esteban Alvares]. Numbers of troops and expenses of the entrada into Seri country.</p>	1672 Jan 4
b. 1, f. 9	<p>Romo de Vivar, Joseph</p> <p>San Antonion de la Natividad, Sonora [Mexico]</p> <p>Contemporary copy of a transcription of testimony by eight witnesses before Capt. Joseph Romo de Vivar, substituting for the Alcalde Mayor of Sonora</p> <p>37p., docketed 31 cm.</p> <p>Describes hostile acts of the Seri Indians, and the entradas against them.</p>	1672 Jan 7-21
b. 1, f. 10	<p>Guillercagh, Cornelio</p> <p>Opodepe [Sonora, Mexico]</p> <p>ALS to Daniel Angelo Marras</p> <p>3p., docketed 30.5 cm.</p> <p>Explains the excessive expenses of the campaigns against the Seris and criticizes their ineffectiveness and even negative effect.</p>	1672 Jan 9
b. 1, f. 11	<p>Salas y Cortez, Pedro</p> <p>[Sonora? Mexico]</p> <p>ALS to his uncle Jacinto Cortez</p> <p>3p., docketed 30 cm.</p> <p>Reports having spoken to Capt. Juan de Encinas, who had received a letter from Padre Francisco Gutierrez of Tecoripa saying that the Yaqui Indians were challenging them to war. The commander of the presidio refused to do anything unless he heard from the Padre directly, so the captain went out on his own and "punished the aggressors" who had killed many Indians. Discusses the necessity of preventing a major uprising.</p> <p>Also contains a letter of Jacinto Cortez, 1672 Feb 24, Torea, referring his nephew's letter to Alvaro Flores de Sierra, Visitador of the missions of Sinaloa and Sonora.</p>	1672 Feb 16
b. 1, f. 12	<p>Otermin, Antonio de</p> <p>Villa [Sinaloa, Mexico]</p> <p>ALS to Padre Visitador Alvaro Flores de Sierra</p> <p>2p., docketed 30.5 cm.</p> <p>He does not want to send out the whole presidio in order to maintain protection for nearby settlements. He cites the Viceroy's orders not to enter Indian territory. He is willing to send some troops out and believes that one squadron should be enough.</p>	1672 Oct 6

b. 1, f. 13	<p>Flores de Sierra, Alvaro, d. 1673.</p> <p>Toro [Sinaloa, Mexico] ALS to Mi P[adre] Prov[incia] 2p., docketed 302 cm. Reports having just seen Capt. Antonio de Otermin, who gave new excuses ("and all of them really frivolous") for not having controlled the Seris. Lists other tribes that need to be subdued: Hiahaques (Yaquis?), Tecoripas, Tepaves, and Mobas.</p>	1672 Nov 1
b. 1, f. 14	<p>Flores de Sierra, Alvaro, d. 1673.</p> <p>Toro [Sinaloa, Mexico] ALS to Genl. Antonio de Otermin 2p., docketed 29 cm. Discusses warring tribes and says that the Viceroy's orders are not demanding enough to maintain the status quo; a vigorous campaign against the Seris is called for.</p>	1672 Dec 1
b. 1, f. 15	<p>Otermin, Antonio de</p> <p>Sinaloa [Mexico] LS to Padre Visitador Alvaro Flores de Sierra 2p., docketed 31 cm. His information from Sonora is that the Seris have been quiet and peaceful, and is surprised Flores says otherwise. He blames the trouble-making Indians for spreading rumors. He is following the Viceroy's orders which are to send out forces only in case of great and manifest necessity.</p>	1672 Dec 5
b. 1, f. 16	<p>Flores de Sierra, Alvaro, d. 1673.</p> <p>Toro [Sinaloa, Mexico] LS to the Captain of Sinaloa [i.e. Antonio de Otermin] 3p., docketed 31 cm. Scathing letter castigating Otermin for not doing his job in protecting the province.</p>	1672 Dec 22
