## Processing Information

This finding aid was revised in 2023 to add this processing note to contextualize a racist and sexist descriptor used in a folder title in Series I: Lobby Cards and Fliers. This folder title contains a transcribed film title from the lobby card. The use of this title is not an endorsement of the language it contains. This descriptive language has been retained to promote searchability and discoverability of the collections. Please contact the Beinecke Rare Book & Manuscript Library for details or if you have questions or comments about these revisions. - This folder contains 8 lobby cards for the "all-colored" cast production, Black Gold. Black Gold depicts a black citizenry of an Oklahoma town working to secure oil drilling rights. The film, made by Norman Film Manufacturing Company, cast the entire "all-colored" city of Tatum, Oklahoma, as actors and extras. Norman Film was an African American independent film studio working out of Jacksonville, Florida, during the silent film era, though many of their films are considered lost.
