This collection is open for research.

Conditions Governing Use

The Paul Kennedy Papers is the physical property of the Beinecke Rare Book and Manuscript Library, Yale University. Literary rights, including copyright, belong to the authors or their legal heirs and assigns. For further information, consult the appropriate curator.

Preferred Citation

Paul Kennedy Papers. General Collection, Beinecke Rare Book and Manuscript Library.

Processing Information

Collections are processed to a variety of levels, depending on the work necessary to make them usable, their perceived research value, the availability of staff, competing priorities, and whether or not further accruals are expected. The library attempts to provide a basic level of preservation and access for all collections, and does more extensive processing of higher priority collections as time and resources permit.

Paul Kennedy

Paul M. Kennedy (1945-) is the J. Richardson Dilworth Professor of History, Director of International Security Studies at Yale University. He is most well known for his writings, editorial work, and teaching related to global economics, politics, and strategy.

Born in England, Kennedy received a BA from Newcastle University and a DPhil from the University of Oxford. He holds multiple honorary degrees, has held many respected positions and fellowships, and is author, contributor for, or editor of over twenty volumes including his best-known work, *The Rise and Fall of the Great Powers* (1987).
