Administrative Information

Immediate Source of Acquisition

Transferred from Yale Library Map Department to Beinecke Rare Book and Manuscript Library, 2017.

Custodial History

The collection was originally maintained by the former Yale Library Map Department. The portion collected by Claude Seaver was and given to the former Map Department in the Yale University Library by his wife, Mrs. Claude Seaver in 1979. The acquisition dates of the maps collected by Robin W. Winks is unknown.

Conditions Governing Access

The collection is open for research.

Conditions Governing Use

The Claude Seaver and Robin W. Winks collection of road maps is the physical property of Beinecke Rare Book and Manuscript Library, Yale University. Literary rights, including copyright, belong to the authors or their legal heirs and assigns.

Preferred Citation

Claude Seaver and Robin W. Winks Collection of Road Maps. General Collection, Beinecke Rare Book and Manuscript Library, Yale University.

Processing Information

These materials have been arranged and described according to national and local standards. For more information, please refer to the Yale Archival Processing Manual.

The inventory is listed in Map Collection number order, not in box and folder number order. Processors used the Road Map Collector Association's official road map dating guide to date maps without a publishing date.

Scope and Contents

The collection consists of roads maps collected primarily by Claude Seaver and Robin Winks. The collection comprises road maps mostly of the United States and Canada but also includes maps of Central and South America, Europe and Asia. Also included are airline route maps for major airlines such as American Airlines and TWA as well as small regional airlines.

Arrangement

The bulk of the collection is arranged by Map Collection number assigned by the former Map Department, which groups the maps geographically. Each Map Collection number is represented by a series.
