Accession 2018-A-037: "58 Men" feature documentary on the Yale Class of 1958 [Video recordings], 1992, 2009

The materials in this collection were created as part of the feature length documentary, "58 Men" produced in 1993 for the Yale Class of 1958's 35th reunion. The roughly 350 interviews with classmates were conducted by filmmakers Steve Bergman, MMPM '92 and John Boulet, MMPM '92 across the United States and Paris, France. The documentary is narrated by Dick Cavett '58, written by C.D.B. Bryan '58, and produced by Joel Schiavone '58 and Jack Embersits '58.

These materials were donated by Steven Bergman, MBA'92 in 1993.

The materials are open for research.

Original audiovisual materials, as well as preservation and duplicating masters, may not be played. Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy for their personal use should consult Copying Services information on the Manuscripts and Archives web site.
