## Administrative Information

---

### Immediate Source of Acquisition

The records were transferred from the Child Study Center, 2002, 2008, 2010; National Library of Medicine, 2008; gift of Janet L. Barney, 2008; gift of Deborah K. Trofatter, 2011.

---

### Conditions Governing Access

Access to the materials is partially restricted. See inventory for details.

Original audiovisual materials, as well as preservation and duplicating masters, may not be played. Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy for their personal use should consult Copying Services information on the Manuscripts and Archives web site.

Original computer files may not be accessed due to their fragility. Researchers must consult access copies.

Some records in this finding aid have been redacted, as they include student names, donor names, and other restricted data. These records will not appear in the published finding aid.

---

### Preferred Citation

Child Study Center, School of Medicine, Yale University, Records (RU 910). Manuscripts and Archives, Yale University Library.

---

## Scope and Contents

The records consist of correspondence, speeches, presentations, and photographs documenting the tenure of Dr. Donald J. Cohen as director of the Child Study Center at the Yale School of Medicine. Records of Guidance Nursery and School Development Program and records created by Katherine Wolf are also included.

The material contains copies of Yale Child Study films on DVD. All dates for born digital material reflect the original creation date of the films.

---

### General note

Forms part of Yale Record Group 27-E (YRG 27-E), Records of departments, offices, programs, and projects of the Yale School of Medicine.

---

## Arrangement

The records are arranged by accession.

---

## Collection Contents

### Accession 2002-A-211: Records of Donald J. Cohen as director, 1970-2001

Restricted until Jan 1, 2037
