Administrative Information

Conditions Governing Access

Box three of the Albert Cadwallader Worrell papers is restricted due to the presence of student records. These records will be open 75 years after the creation date. The rest of the papers are open to researchers.

Conditions Governing Use

Copyright for unpublished materials authored or otherwise produced by Albert Cadwallader Worrell has been transferred to Yale University. These materials may be used for non-commercial purposes without seeking permission from Yale University as the copyright holder. For other uses of these materials, please contact beinecke.library@yale.edu.

Copyright status for other collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Albert Cadwallader Worrell Papers (MS 1377). Manuscripts and Archives, Yale University Library.

Biographical / Historical

Albert Cadwallader Worrell (1913-2000), Edwin W. Davis Professor Emeritus of Forest Policy, served on the faculty at Yale University from 1955 to 1983. Dr. Worrell received his M.F. and PhD from the University of Michigan and taught at the University of Georgia from 1946 to 1955. His many studies and writings in forest economics, and policy included efforts to value forests and environmental benefits. During his years at Yale, he also held visiting appointments and universities in Chile, Germany, and Australia.

Scope and Contents

The Albert Cadwallader Worrell papers consist of correspondence, forestry research, unpublished manuscripts and records from Dr. Worrell's teaching activities abroad from 1951 to 1982.

Arrangement

Arranged by record type.
