Administrative Information

Immediate Source of Acquisition

Collection of documents acquired by gift and purchase from various sources. Source information is recorded in the finding aid. For further information, consult the appropriate curator.

Conditions Governing Access

The materials are open for research.

Conditions Governing Use

The Alaska Manuscripts Collection is the physical property of the Beinecke Rare Book and Manuscript Library, Yale University. Literary rights, including copyright, belong to the authors or their legal heirs and assigns. For further information, consult the appropriate curator.

Preferred Citation

Alaska Manuscripts Collection. Yale Collection of Western Americana, Beinecke Rare Book and Manuscript Library.

Processing Information

Collections are processed to a variety of levels, depending on the work necessary to make them usable, their perceived research value, the availability of staff, competing priorities, and whether or not further accruals are expected. The library attempts to provide a basic level of preservation and access for all collections, and does more extensive processing of higher priority collections as time and resources permit.

Scope and Contents

This collection encompasses accessions of single letters and small groups of letters and other manuscripts pertaining to the history of Alaska, which the library has chosen to group and list as an artificial collection. Letters and documents discuss travel in Alaska, interactions with Native Alaskans, the Alaska gold rush, the fur industry, surveying, business operations, and naval service. Also includes one photograph of the U.S.S. Pinta.

Arrangement

The collection is arranged alphabetically by creator.
