## Conditions Governing Use

The Caroline Sheridan Norton Collection is the physical property of the Beinecke Rare Book and Manuscript Library, Yale University. Literary rights, including copyright, belong to the authors or their legal heirs and assigns. For further information, consult the appropriate curator.

---

## Preferred Citation

Caroline Sheridan Norton Collection. General Collection, Beinecke Rare Book and Manuscript Library.

---

## Processing Information

Collections are processed to a variety of levels, depending on the work necessary to make them usable, their perceived research value, the availability of staff, competing priorities, and whether or not further accruals are expected. The library attempts to provide a basic level of preservation and access for all collections, and does more extensive processing of higher priority collections as time and resources permit.

This finding aid encompasses accessions of single manuscripts and small groups of manuscripts and other papers, by or pertaining to Caroline Sheridan Norton, which the library has chosen to group and list as an artificial collection. The finding aid was produced from previously existing cards in the Manuscripts Catalog, or from another inventory. All pertinent bibliographical information has been retained. If the collection also contains unlisted or unsorted material, it has been noted in the box-and-folder list. This finding aid will be updated periodically to account for new materials that may be added to the collection. The date of the most recent update is noted on the title page.

Material in this collection was reclassified from MS Vault Sheridan in 1997.
