Processing Information

This finding aid was produced from previously existing cards in the Manuscripts Catalog, or from another inventory. All pertinent bibliographical information has been retained. If the collection also contains unlisted or unsorted material, it has been noted in the box-and-folder list.

This finding aid will be updated periodically to account for new materials that may be added to the collection. The date of the most recent update is noted on the title page. For information on material that may have been added since the last update, please consult the Public Service Desk.

Scope and Contents

This finding aid encompasses accessions of single manuscripts and small groups of manuscripts and other papers, by or pertaining to Robert Southey, which the library has chosen to group and list as an artificial collection. Materials incorporated into the collection prior to July 1997 have been organized into two series, [Correspondence](#) and [Writings](#). Materials added to the collection since that time are located in Series III, Additions since July 1997, listed in the order in which they were added.
